

COVID Secure Training

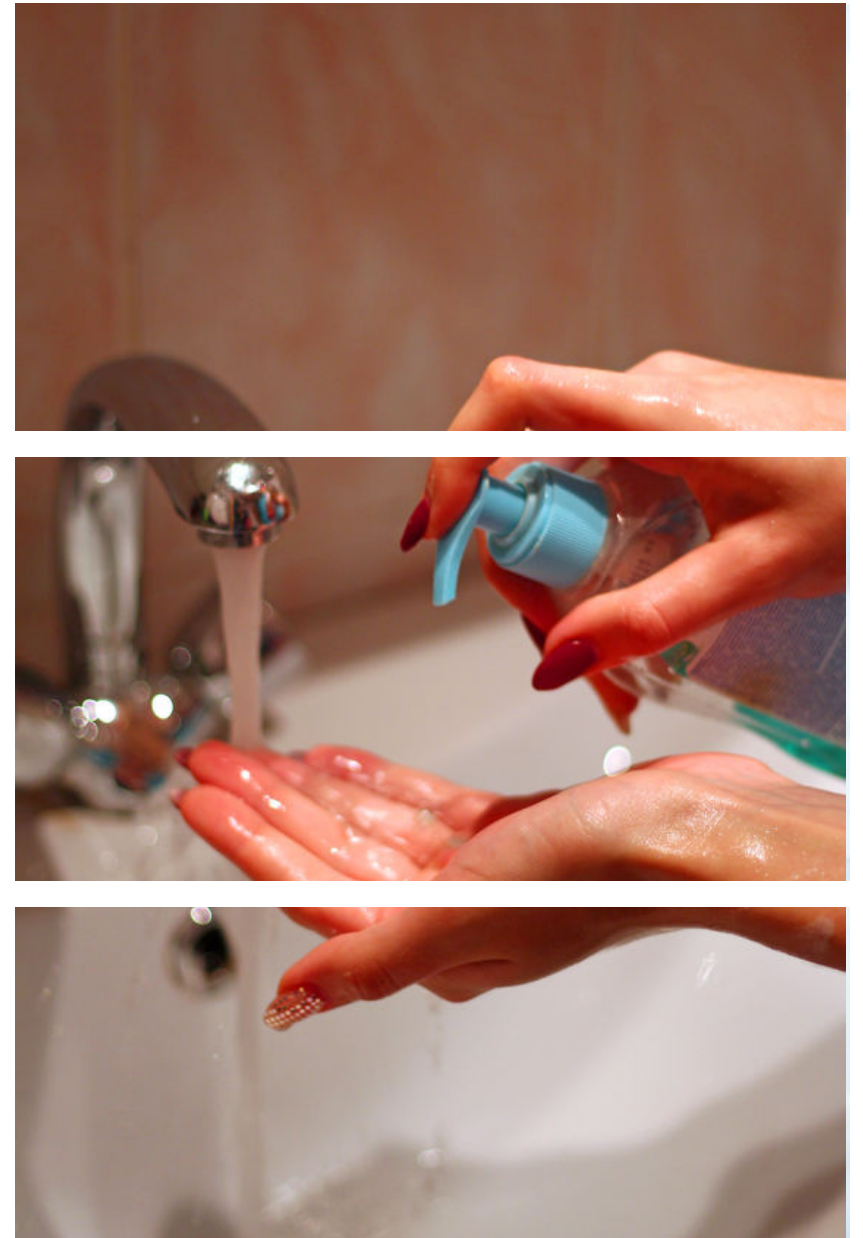

When you're ready, we're ready

Our commitment to safety

Our guide to how we will:

- ✓ Work safely with our clients
- ✓ Work safely with our venues
- ✓ Support everyone to stay safe

Supporting everyone's safety

- ✓ Health declarations for every event
- ✓ Enhanced risk assessments for every event
- ✓ Training for all of our staff and associates

On-site delivery for our clients

- ✓ Enhanced client liaison to plan your training course safely
- ✓ New trainer's kit and full training for all of our trainers
- ✓ Updated course orientation and incident processes

Open courses at our venues

- ✓ Working together to manage risk and build confidence
- ✓ Arrival, facilities and food all managed safely
- ✓ Updated course orientation and incident processes

Supporting everyone's safety

Health declarations for every event

- ✓ Trainers will declare themselves healthy and free from contact with infected persons for every event we deliver.
- ✓ We'll ask delegates to declare themselves healthy via our updated joining instructions.

Enhanced risk assessments

- ✓ We will only work with venues and clients who work safely and have comprehensive and up-to-date risk assessments.
- ✓ We will share risk assessments with clients and conduct assessments & maintain auditable records for all training events.

Training for all of our associates

- ✓ All of our staff and associates will complete awareness, social distancing, hygiene and incident management training.
- ✓ Our trainers will follow updated protocols for orientation to and management of our training events.

On-site delivery for our clients

Working together to plan your course

- ✓ We will liaise with our clients to ensure we understand and follow your on-site rules and we'll upfront provide health declarations.
- ✓ Our trainers will conduct thorough checks for every event and support our clients in helping everyone to work safely.

New trainer's kit and up-to-date training

- ✓ Trainers will carry a kit of British Safety Standard cleaning products and adopt and clean-as-you-go approach to support our clients.
- ✓ All of our trainers will complete awareness, social distancing, hygiene and incident management training.

Same great content delivered safely

- ✓ Our trainers will follow updated protocols for the orientation to and management of our training events.
- ✓ Our trainers will use methods and materials that maintain social distance & hygiene while continuing to engage and support learning.

Open courses at our venues

Working together to manage risk and build confidence

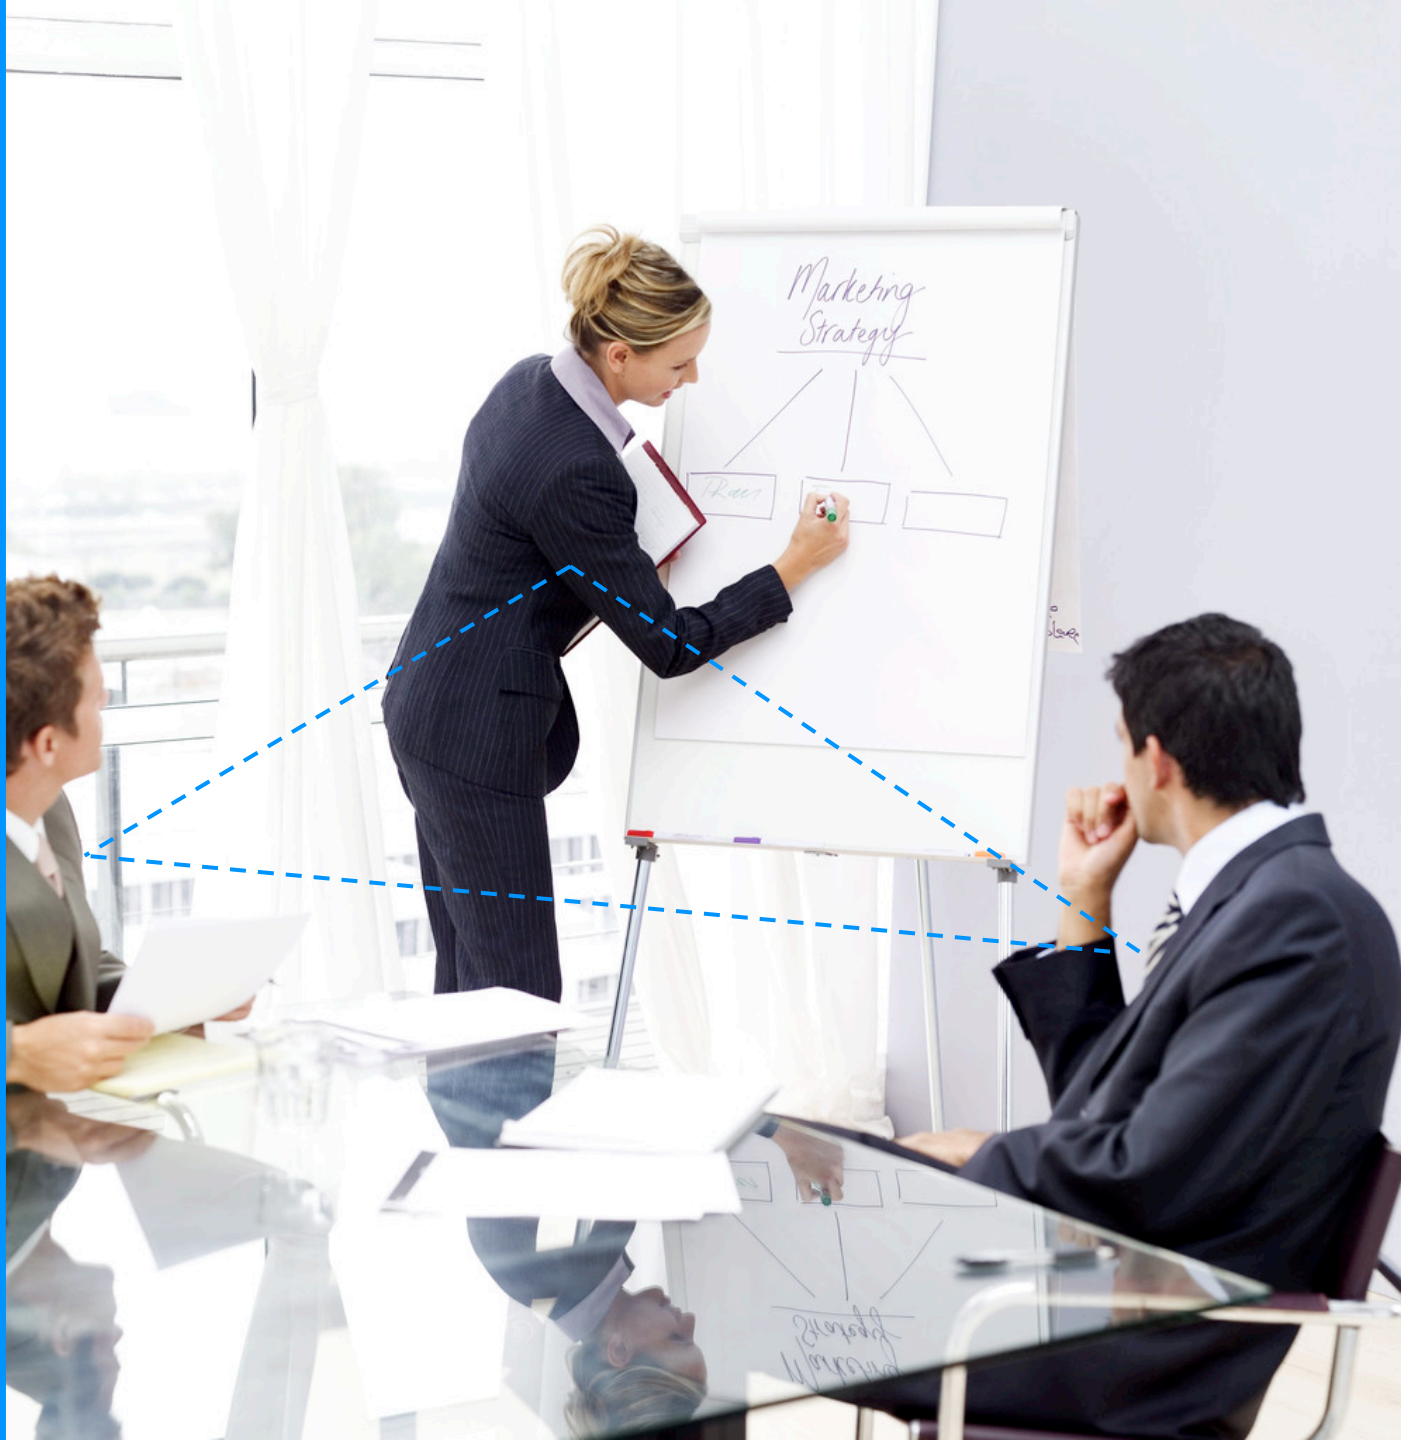

- ✓ We will ensure best practice is in place at every venue we use and ensure our trainers are fully informed ahead of training courses.
- ✓ Our trainers will conduct on-site risk-assessments for every event and support our venues in helping everyone to work safely.

Arrival, facilities and food all managed safely

- ✓ We will provide updated joining instructions for delegates that explain exactly what to expect at their course venue.
- ✓ Additional measures will be in place for pre-ordering food, managed breaks and lunches with hand sanitiser available at all times.

Same great content delivered safely

- ✓ Our trainers will follow updated protocols for orientation to and management of our training events.
- ✓ Trainers will carry a kit of British Safety Standard cleaning products and adopt and clean-as-you-go approach to support our venues.
